PLA officer rank:-

On January 1, 2021, the PLA's "Interim Regulations on the Administration of Officers in Active Service" came into effect. According to the "Interim Regulations on the Administration of Officers in Active Service", the mapping of military rank, position and compensation level is as follows [14]-:-

- No title (Chairman of the Central Military Commission, Level 1)-
- General:-
  1. General (Vice Chairman of the Central Military Commission, Level 2; Member of the Central Military Commission, Level 3; Chief officer of a theater command, Level 4)-
  2. Lieutenant General (Deputy officer of a theater command, Level 5)-
  3. Major general (Army-level chief officer, level 6; army-level deputy officer, level 7)-
- Colonel:-
  3. Lieutenant Colonel (regiment-level deputy officer, 10-13 levels)-
  4. Major (battalion-level chief officer, ranks 12-16; battalion-level deputy officer, 12-16 ranks)-
- Lieutenant:-
  1. Captain (Company-level chief officer, 14-17)-
  2. First Lieutenant (Company-level deputy officer, 15-18)-
  3. Second Lieutenant (Platoon-level chief officer, 17th-19th)-

“新训不足一个月，就敢拉到野外去驻训？”带着些许震惊，10月28日一大早，笔者前往空军参谋部某新兵训练旅野外驻训场一看究竟。

“从新兵开始抓好实战化训练，是发达国家军队的普遍做法。只有从‘兵之初’就按照实战化要求严格训练，才能保证部队整体战斗力的连贯性和延续性，为打赢未来战争奠定坚实基础。”该新训旅旅长戎军旗一边将训练计划表递给记者，一边介绍道。

以往，人为降低训练标准的做法在新训工作中并不鲜见。“在这里学会打仗，从这里走向战场。”新训旅旅长戎军旗说，他们从一开始就确立了“基于大纲、高于大纲、严于大纲”的新训指导思想，缩短新兵成长周期。
