Re: *United States v. Guo*, No. 26-1853—Form B Attachment

Dear Ms. Wolfe:

Appellant Miles Guo, through undersigned counsel appointed under the Criminal Justice Act on September 25, 2026 (Dkt. 18), submits this attachment to his Form B. Prior counsel's Form B of August 5, 2026 (Dkt. 15) did not order transcripts so that new counsel could determine whether any were missing. Counsel has compared the district court docket with the transcripts filed there and orders the following, none of which appears in the filed transcripts.

Pre-Trial Proceedings. The January 9, 2024 arraignment on the S2 superseding indictment before Magistrate Judge Robyn F. Tarnofsky. The docket reflects only a minute entry (ECF 225), and no transcript has been filed.

Jury Selection. The voir dire conducted from May 22 through May 24, 2024. The transcript filed at ECF 399 (Tr. 1–5) ends when jury selection began on May 22, 2024. The rest of that day's proceedings, all of May 23, and any voir dire on May 24 that is not in the transcript filed at ECF 401 have not been filed.

Sealed and Redacted Trial Pages. Tr. 51–52 (May 24, 2024; ECF 401), from which lines were redacted; Tr. 343–344 (May 28, 2024; ECF 403), where a sidebar was sealed; and Tr. 4069–4072, 4162, and 4223–4227 (June 25, 2024; ECF 439), which were sealed by order of the district court.

Trial Pages Not in the Filed Transcripts. Tr. 1852, 4758, and 5552, which do not appear in the transcripts filed for June 7, June 27, and July 8, 2024 (ECF 417, 443, and 448). If those page numbers were skipped and no such pages exist, counsel asks the court reporter to so confirm.

Sentencing. The sealed portion of the June 29, 2026 sentencing proceeding, transcript pages 3–30. The transcript filed at ECF 864 omits those pages.

Post-Trial Conferences. The sealed portions of the December 20, 2024 conference (ECF 695 at 6–19) and the March 3, 2025 conference (ECF 497 at 6–7).

GRUENSTEIN LAW

To the extent the court reporter requires an order of the district court before releasing any of these sealed or redacted pages, or the voir dire of the anonymous jury (ECF 306), to appellate counsel, counsel will promptly seek one.

The district court's minute entry for May 21, 2024 reflects a hearing under Section 6(a) of the Classified Information Procedures Act at which a court reporter was present. No transcript of that hearing has been filed. Counsel will seek it, and any transcript of other classified proceedings, through the Classified Information Security Officer. Those transcripts are not the subject of this order.

Counsel is not ordering any other transcript. Transcripts of the remaining pre-trial, trial, sentencing, and post-trial proceedings have been filed in the district court.

Respectfully submitted,

/s/ Benjamin Gruenstein
